

HANDOUT 2.8.3 ZEITGEIST: CONTEMPORARY REPRESENTATIVES OF MY ERA

Directions: Walk around to read the other groups' nominations. List one (living) person for each category whom you believe represents the contemporary *Zeitgeist*, complete with a description of your reasons why. You may take your ideas from your group's or another group's list, or you may nominate a person who is not yet on any list. (The person does not need to be your same age – they just need to be alive today.)

Write a justification for why you chose each person, then submit your work.
